*The melancholy days are come, the saddest of the year,
Of leafless boughs, and naked boughs, and meadows brown
and bare;
Heav'd in the hollows of the grove the withered leaves
Lie dead;
They rustle to the eddying gust and to the rabbit's tread.*

Say, Hunters, can't you just fairly FEEL that wind and see the rabbit scurrying over the fields? It's a little too early yet, but now's a good time to get your

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on saits and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something simple and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsi, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowels muscles are trained again to work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gildly attest, and so will Mrs. S. A. Hampton of Portage, O. Dr. Caldwell's sketch there is a way to prove these claims without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by many druggists themselves, other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For further information the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Montezuma, Ill.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. DEPENDABLE PROPRIETARY MEDICINES.

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for thirty years, and today hold a record for thousands upon thousands of actual cures, as has Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

Samuel T. Hopper, alias H. L. Flemming of Manchester, O., was indicted on a charge of forgery on the Flemingsburg Bank.

The case of H. L. Mullins, charged with interfering with a Federal officer, was continued.

Richard Ware, Carl Bell, John Ingles, Eunis Williams, William Holland and Harrison Clay pleaded guilty to "bootlegging," selling whisky without a license at Cynthiana.

The gage marks 39 and rising.

The towboat John W. Love, owned by Ripley pants, has been sold to Captain Flesher, who will take her to Mt. Vernon, Ill.

The towboat Sallie Marmet sunk a few days since near Portersmouth while on her way to the Kanawha river with a tow of empties.

The Maysville and Cincinnati packet Courier has had to go to the bank on account of low water. The rise from the Kanawha may let her out again for a few days.

A movement has been started at Cincinnati to send a delegation from that city down the Mississippi river with President Taft the latter part of this month, when he makes the trip from Cairo to New Orleans to attend the Waterways Congress in the latter city.

I want every one troubled with scalp disease, dandruff or loss of hair to try Rexall "93" Hair Tonic. If it does not remove dandruff and promote a growth of hair to the satisfaction of the user, I will return any question or quibble for every cent paid me for it. This guarantee is printed on every package. It has effected most satisfactory results in 93 out of 100 cases where put to a practical test.

Rexall "93" Hair Tonic is entirely unlike and in every particular different from anything else I know of for the purpose for which it is recommended. I urge you to try it at my entire risk. Certainly I could offer no better guarantee. Two sizes, 50 cents and \$1. Sold in Maysville only at my store—the Rexall Store. Theo. J. Chonowath.

A whale-like hydroplane motorboat, which is practically a cross between an ordinary motor-boat and a water hydroplane, has been creating considerable interest on the Thames because of its speed and appearance. Only twenty-two feet long and equipped with a fifty horse-power engine, it actually skims over the water at a speed of thirty miles an hour. The bottom of the boat is flat, with a horizontal plane on the forward keel to keep her steady. The speed and staunchness of the little boat has given rise to the idea that her design may be found of value for torpedo boat destroyers.

ROYAL BLUE

For Laundry Use.

Is a very high grade of Bluing and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful lustre. It does no way streak the clothes as these cheap, inferior grades do. It is very fine and durable.

One ten cent powder, put into a quart of clear water, will make you as much excellent Bluing, in liquid form, as you pay 60 cents for, and it is better quality. You can make half a pint of excellent blue ink by dissolving the powder in half pint of water. Prepared by
